Important Questions	Answers	Why This Matters:
What is the overall deductible?	**$0**	See the Common Medical Events chart below for y our costs for services this plan covers.
Are there services covered before you meet your deductible?	**Yes.**	This plan does not have a deductible. You do not have to meet a deductible amount before the plan pays for any services.
Are there other deductibles for specific services?	No.	You don't have to meet **deductibles** for specific services.
What is the out-of-pocket limit for this plan?	**$2,800 per person / $8,400 per family**	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums, balance-billed charges, prescription drug copayments, penalties for failure to obtain prior authorization for services and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the **out-of-pocket limit**.
Will you pay less if you use a network provider?	Yes. For a list of preferred providers, see www.unitehere5trustbenefits.com or call 523-0199 (Oahu) or 1-866-772-8989 (Neighbor Island). For a list of participating pharmacies, please visit www.optum.com.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might us an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the **specialist** you choose without a referral.

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
