SUBJECT: Vision Care Program

The Board of Trustees, at their meeting on July 13, 2011, was notified of the following changes to the Vision Care Program:

I. Eye Care Center of Kauai, Inc.

Eye Care Center of Kauai, Inc., a current participating provider, has added new providers to its business **as of March 1, 2011**. In addition to Timothy Lee, M.D. and Layne Hashimoto, O.D., Jean Shein, M.D., Stacey M. Morinaga, O.D., and Karen T. Barbadillo, O.D. will be available to render services.

You are free to use any licensed care provider of your choice and receive the Trust Fund's allowances for covered services and supplies. However, by receiving services and supplies from a participating provider, you limit your out-of-pocket costs for covered services. For a complete listing of participating vision care providers, please contact the Trust Fund office.

REMINDER

All vision claims must be filed within 90 days from the date of service.

Should you have any questions on the above changes or need assistance with your coverage, please contact the Trust Fund office at 523-0199, or for neighbor islands, call toll free at (866) 772-8989.
