Medical Plans

Two (2) choices are available – **AFL Self-Funded Comprehensive Medical Plan** and the **Kaiser Permanente Plan**. The AFL Comprehensive Medical Plan is a preferred provided or "freedom of choice" plan. You may receive services from the doctor of your choice and payments are based on a percentage of Eligible Charges. Under this plan, your out-of-pocket costs are usually lower when you receive services from a participating provider. The Kaiser Permanente Plan is an "HMO Plan". You must receive services from a Kaiser Permanente doctor and your co-payment is usually a fixed dollar amount. The plan will not pay for services from a non-Kaiser Permanente doctor, except when referred or if emergency care is required. Kaiser Permanente facilities include: Oahu, Big Island and Maui.

Dental Plans

Two (2) choices are available – Hawaii Dental Service (HDS) and Gentle Dental (formerly Dental Care Centers of Hawaii) Plan. The HDS Plan offers you freedom to choose your own dentist. You may select from a network of over 96% of the dentists statewide. National coverage is also available through Delta Dental Plans Association, the largest dental benefits provider in the nation. The Gentle Dental Plan is a "dental HMO" plan. You must receive services at one of the following Gentle Dental clinics: GMS Dental (Honolulu) or Healthy Smiles Family Dental. Your copayment is usually a fixed dollar amount. The Plan will not pay for services from a non-Gentle Dental dentist, except when referred or if emergency care is required.

A Summary of Benefits and Coverage for the medical plan(s) are enclosed along with a comparison sheet for the dental providers.
