

IMPORTANT INFORMATION

Notice about changes to your plan's pharmacy network

AFL Hotel & Restaurant Workers Health and Welfare Trust Fund

March 24, 2022

Dear Valued Participant,

We want to let you know about a change to your plan's pharmacy network.

Starting April 11, 2022, Foodland Pharmacy will no longer be in business. Foodland has announced they will be transferring prescriptions to CVS/Longs Pharmacies, however, CVS/Longs Pharmacies are not considered a participating network pharmacy by your Plan.

What do I need to do?

You will need to transfer your prescription(s) to a participating network pharmacy. You can choose a new pharmacy from the attached list.

Or, you can switch to the convenience of home delivery with OptumRx: Order your next fill through OptumRx home delivery and you can have your maintenance medications delivered right to your door. Go to [optumrx.com](https://www.optumrx.com) for details.

How do I transfer my prescription(s)?

Bring your medicine bottle or prescription information to the new participating network pharmacy. The pharmacy will either transfer your refills or get a new prescription from your doctor. For additional assistance, please contact Crystal Saena (808) 366.6269.

Questions?

We're here to help make this change as easy as possible. If you have any questions, or if you need help finding a pharmacy, please call Crystal Saena (808) 366.6269.

Sincerely,

The OptumRx Team

Prescriptions from OptumRx should arrive within 5 business days after we receive the complete order. OptumRx will contact you if there will be an extended delay in the delivery of your medications. Please feel free to use our online order status to check on the progress of your request.

If you are no longer a member of this benefit plan after the effective date of these changes, please disregard this letter.
