**RE: HAWAII TEAMSTERS HEALTH & WELFARE TRUST
Re-enrollment**

Dear Member:

Since February 15, 2000, the Teamsters Trust Office has been conducting a participant re-enrollment as directed by the Teamsters Health & Welfare Board of Trustees. There is a twofold objective of the re-enrollment process: 1) to verify that all eligible dependents are enrolled for health and welfare benefits, and 2) to update addresses and beneficiary information.

You have already been contacted by your employer or have been sent a letter by the Trust Office requesting that you complete and return an updated enrollment card and additional supporting documents. As of the date of this notice, we have not received your enrollment card and certificates and would like to remind you that it is important that you do so by **July 15, 2000**.

If you are having problems obtaining the required documents (e.g. birth or marriage certificates, etc.) or need an enrollment card, please contact Hilda Baroza of the Trust Office at (808) 847-0886. Thank you for your cooperation.

Sincerely,

TRUST FUND OFFICE
