There are two (2) Medical Plans to choose from:

## 1. University Health Alliance (“UHA”) Plan 600

The UHA Plan 600 is a preferred provider or “freedom of choice” PPO plan. You may elect to receive services from the doctor of your choice and payments are based on a percentage of Eligible Charges. Under this plan, your out-of-pocket costs are usually lower when you receive services from a participating provider.

## 2. Kaiser Permanente Plan

The Kaiser Permanente Plan is an “HMO Plan.” You must receive services from a Kaiser Permanente doctor, and your co-payment is usually a fixed dollar amount. The plan will not pay for services from a non-Kaiser Permanente doctor, except when referred or if emergency care is required. Kaiser Permanente facilities include: Oahu, Big Island, Maui and Kauai.

For a complete listing of participating providers with the UHA Plan 600 or the Kaiser Permanente Plan please visit, [www.teamsterstrustbenefits.com](http://www.teamsterstrustbenefits.com).
