There are two (2) Medical Plans to choose from:

1. **University Health Alliance (“UHA”) Plan 600**

The UHA Plan 600 is a preferred provider or “freedom of choice” PPO plan. You may elect to receive services from the doctor of your choice and payments are based on a percentage of Eligible Charges. Under this plan, your out-of-pocket costs are usually lower when you receive services from a participating provider.

2. **Kaiser Permanente Plan**

The Kaiser Permanente Plan is an “HMO Plan.” You must receive services from a Kaiser Permanente doctor, and your co-payment is usually a fixed dollar amount. The plan will not pay for services from a non-Kaiser Permanente doctor, except when referred or if emergency care is required. Kaiser Permanente facilities include: Oahu, Big Island, Maui and Kauai.

For a complete listing of participating providers with the UHA Plan 600 or the Kaiser Permanente Plan please visit, www.teamsterstrustbenefits.com.

There are two (2) Dental Plans to choose from:

1. **Hawaii Dental Service (“HDS”)**

The HDS Plan offers you freedom to choose your own dentist. You may select from a network of over 96% of the dentists statewide. Payments are based on a percentage of eligible fees. Visiting an HDS Member Dentist will lower your out-of-pocket costs. National coverage is also available through Delta Dental Plans Association, the largest dental benefits provider in the nation.

2. **Hawaii Medical Services Association (“HMSA”)**

The HMSA Dental Plan is a “dental HMO” plan. Your copayment is usually a fixed dollar amount. The Plan will not pay for services from a non-participating HMSA dentist, except when referred or if emergency care is required.
